科目ナンバリング Course Level							
授業内容 Course Description		This is an introductory course in Comparative Politics. This course will introduce students who are new to the field of Comparative Politics to the leading theories and debates of this field while simultaneously introducing students to the history of political, economic, and cultural relations of various regions. By comparing how political systems develop and function in different countries, we will theorize about the historical development and future trajectories of domestic politics in the various parts of the world.					
到達目標(授業の狙い) Objectives		The main objectives of this course is (1) to introduce students to the major theories and debates of this field, (2) to help students develop the analytical and reading skills required for political studies, and (3) to improve the understanding of political history in the various parts of the world.					
授業方法 Method of Instruction		This course is based on lectures and class discussion. Class discussion is your opportunity to raise questions about the lecture or the readings, to bounce ideas off one another, and to think carefully about the texts' relation to issues raised in lecture.					
準備学習 Class Preparation		Students are expected to attend all lectures, to complete all of the reading on a timely basis, and to be prepared to summarize and discuss them in class.					
教科書 Text		We will be reading journal articles and book chapters. All of these items will be made available online in PDF format.
